How Not To Be A Fool

Developing wisdom at a young age isn't just a life skill; these days it's a survival skill. The situations that students are in just seem to get more and more serious every time I turn around. The Book of Proverbs has tons of verses about being wise, being a fool, and how to deal with both.

For the next 3 Sundays in March we will be exploring "How Not To Be A Fool." Join us at 6:00 for dinner, games, and a lesson series that is sure to make you think!

See you Sunday!
