### Schools Out for Summer!

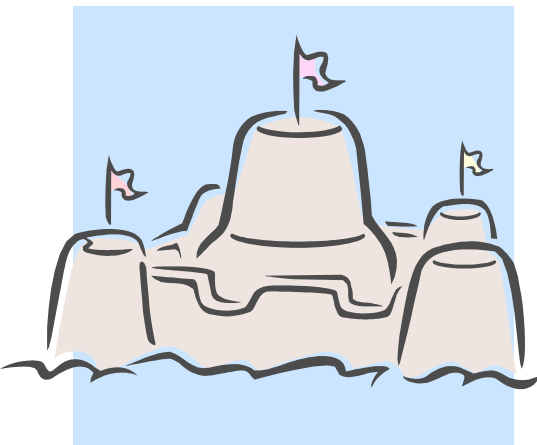

Congratulations! You made it through another year of school! No more teachers, no more tests, just 2 months of sweet freedom! But, what are you going to do with all that free time? How will you spend the next few months of summer vacation? I hope you'll plan on joining the Mulberry Youth for some (if not all) of our summer events. We've tried to design a summer program that will be easy on your wallet and loaded with memory making events! As events approach, you'll receive additional information (postcards, emails, flyers, etc).

Don't waste your summer watching reruns of Jon & Kate Plus 8. Instead, join us and grow closer to your friends (or make new friends) and grow in your relationship with God.

### Castles Made of Cans!

Everyone has made a sandcastle. But have you ever made a CanCastle? This summer there is a competition taking place at Mulberry. Different groups are creating castles made of cans to benefit Macon Outreach. The youth have been assigned Canned Meat (delicious)! We need YOU to start bringing in as many cans of meat as possible so we can create the biggest and most awesome CanCastle! So, buy some yourself, raid your pantry, ask your neighbors . . . just do what it takes to collect as many cans possible!

This summer on Sunday nights we will be going on a world tour and visiting places like the Great Wall of China, Nepal, France, and Australia. We'll explore what each of these locations can teach us about our relationship with God and one another. Best part about the trip—it's totally free and you don't need a passport. Just come on Sunday night's at 6:00! Bon Voyage!
